

New Albany Links Swim Team 2019

The New Albany Links Swim Team is once again a part of the Suburban East Swim League along with teams from Eastmoor, Foxboro, Plain City, Hunter's Ridge and LifeTime Easton. We are looking forward to another exciting year as we watch our team continue to grow. This league provides skillful competition yet maintains its emphasis on good sportsmanship!

Parents are reminded that the NAL swim team is not a substitute for swim lessons. This is a swim team and friendly competition prevails. Please do not register your child if he/she cannot swim a complete length (25 meters) of the pool. This will be enforced. The New Albany Links Swim Team is designed to introduce swimming on a competitive, yet recreational level. We want to make this season as enjoyable and successful as possible; therefore, it is important to regularly attend practices. Then, when meet day arrives, all swimmers are prepared to swim! This year, the New Albany Links will be hosting three home meets and will have two away meets. ***We are asking that a parent of each swimmer volunteer for at least 2 swim meets!*** Championships are held at the Gahanna Community pool.
